Tour Highlights:

Few countries hold the wonder of Egypt. Just hearing the name conjures images of mighty pharaohs, majestic pyramids, massive temples and colossal monuments and the life-giving Nile River, which was the source of Egypt's power and glory in the ancient world.

- During the tour you can see King Tut's treasures and the Pyramids of Ancient Memphis, gaze up at the Sphinx and huge statue of Ramses II, explore the Luxor Temple built in part by famous pharaohs including Amenhotep III, Ramses II, and Tutankhamun, home to the Temple Amun-Ra.
- Explore the Valley of the Kings, where for 500 years pharaohs like King Tut had their mummified remains buried along with their most prized worldly possessions; and tour Queen Nefertari's tomb within the Valley of the Queens.
- A highlight of our tour is the visit to the Nubian village. Here you will meet the Nubian people who live there and carry on the traditions of their ancestors, and ancient African civilization that were the original rulers of Egypt.
